GREETINGS FROM JANKI OVERSEAS!!!

With 24 years experiences in yarn & fabrics, Embarked in the year 2004, we "Janki Group" are acknowledged as one of the leading manufacturer, indenting agent, exporter & importer of fabrics, yarn, textile products. We believe in strong & trustful partnerships with our Customers, Suppliers & Co-Agents. We have handled business worth millions of dollars in the most transparent fashion. We specialize in sourcing and marketing of diverse range of products. Our Operating philosophy is to provide buyers with products that meet their specification as well as expectation and deliver it at a reasonable price in Domestic and International Markets.

Having grown from strength to strength, today, we have gained wide recognition with impeccable quality, cost effective production process and prompt delivery schedule. Having created a special place for us in the international market, we have been supplying our high quality products to more than 40 countries. We offer our customers a global network of opportunities and the best deal possible.

Janki Group wants to be the first choice as a trusted partner for both manufacturer and customer by adding value through product knowledge and timely delivery of quality products. Today, the quality delivered by us is hard to beat and pricing is reasonable, that makes us preferred choice amongst many quality conscious clients. With customer satisfaction being of high importance to us and our uncompromising endeavour towards quality & perfection has helped us to achieve it. Further, with our cost effective approach & progressive vision, we are able to work committed towards delivering our clients products in conformation with international standards.

Currently we are doing direct export as well as working with renowned merchant exporters of India. It would be great, if you can give opportunity to serve, we assure best of services which would help meeting customers expectation & establish long term & rewarding relationship.
